

Join us and become a sponsor at the Dresden Battery Days 2017!

The Dresden Battery Days will take place from September 18–20, 2017 in Dresden, Germany.

Together with its partner event, the Graz Battery Days, the series proceeds every year changing locations every term. These two events bring together experts addressing specific aspects of the current battery research and development.

The following sponsorship packages offer the opportunity to connect with our attendees and join the community:
